## DISCLAIMER

If you are experiencing medical emergencies, please call 911. For urgent or clinical issues, please call the practice at (702) 463 4788 to speak with our patient care coordinator during our business hours.

Horizon Behavioral Medicine uses email for administrative purposes, such as billing, receipts, scheduling and patient feedback. Please do not use this form for urgent or complicated issues that should be properly addressed via a consultation or at minimum a phone call to the office staff and provider.

Please be advised that using email has some inherent security risks. If you do not want us to use email to communicate, please give our office notification. If a patient originates an email to us, then they, therefore, give us permission to communicate with them via email.
